

CARLOUEL YACHT CLUB DRESS CODE

Carlouel Yacht Club is very proud of its heritage and rightfully so. We have always been a club of shared values. To continue to strengthen those ideals, the House Committee and the Board have established this Dress Code to accommodate and ensure all members always feel welcome to use their club.

The Dress Code policy will be in effect on a year round basis and will not change during the summer or winter season

Semi Formal for gentlemen is defined by discretion of General Manager according to the event.

Resort Casual for gentlemen is defined as having nice slacks, Bermuda length shorts (Family night and Birdcage only), collared shirts, button down shirts, nice shoes or sandals, with the option of wearing a sport coat. For women: nice pants, skorts, skirts, nice top, casual dress, sundress, nice sandals or casual shoes.

The term “resort” indicates attire that is a cut above very casual clothes. So, avoid jeans, flip flops, camisoles, t-shirts, and short shorts or very short skirts. Slogan images are not approved for resort casual dress.

Birdcage for gentleman is defined as wearing tee-shirts or shirts with footwear. Ladies are required to wear cover-ups and footwear. After 6pm, the Birdcage attire returns to Resort Casual.

Out of respect for your fellow members, the following are never allowed inside the Club House: Short shorts, gym shorts, cut-offs, crop tops, bare feet, no shirt or muscle shirts.

The following are allowed in the lobby and bar area before 6:00 p.m.: Bathing suit with a cover-up for the ladies, or a sport shirt or T-shirt for the gentlemen, hats or golf visors are to be removed when entering the Clubhouse.

Exceptions to the dress code will be noted in the Barometer. If in doubt, please ask when making reservations. Further, when making reservations, please help the Club accommodate you best by requesting the location you would like to dine. When the entire Club is reserved for a private event, one area will always be reserved for our Members use. In this case, Resort casual is the requirement to dine.

Members have the responsibility of informing their guests of the dress code.
